- **EARN COMMISSIONS**

Earn 5 – 15% commissions for your referrals.

The DSA (Digital Signage Advertising) Network is a great system designed to enable businesses to come together and advertise with their clients, partners, and sponsors through the digital signage system. The Digital Signage system is an advance technology that has many applications that have been proven to work effectively in marketing. Through DSA Network, you will be able to run your advertisements not only at your place of business, but in your clients, partners, or sponsors who are also in your DSA network. To join and experience the benefit of this network, we will provide you with a starting package that you can purchase or lease for 6 months – 1 year. The starting package includes:

- A digital signage DVR player.
- A high resolution LCD TV up to 32".
- A 30 sec initial advertisement.
- A sponsor place to display your advertisements in.

For your convenience, we will take care of all of the necessary installation, setup, content management, and maintenance. Afterwards, you will also be eligible to expand your network and earn commissions through referring the network to your clients, partners, or sponsors. We will award you 15% commission for each payments received from each network member from your referral if you decide to purchase the starting package, or 5% should you decide to lease it. The DSA network will be a cost effective and revolutionary way to effective marketing and expand your growth.
