DIGITAL SIGNAGE PROJECT: BESTATE

Bestate – a property/real estate company in Dallas are currently managing close to thirty office spaces around the DFW area. Recently, Techville has helped Bestate to setup a digital directory utilizing the digital signage system. We also provided the announcement board systems which broadcasts and displays texts and images in multimedia format.

UPDATE: PENPOWER CHINESE EXPERT

PCE Update:

Penpower Chinese Expert Standard Version is a complete Chinese learning tool. You can utilize all the listening, reading, speaking, writing, and translation features and learn Chinese fast and easy. It also provides online and offline activation. Let you learn Chinese anytime and anywhere.

The trial version for the Penpower Chinese Expert Software is now available for download online. The software can be downloaded at the Penpower website at www.penpowerinc.com.

SUCCESS STORY: ASIA WORLD MARKET

As mentioned in our last month's newsletter, we are currently providing digital signage services and content management for Asia World Market in Plano, TX. Currently, the content includes multimedia files such as images, videos, vocal/sound, music, newsfeed, and local broadcasting. Asia World is greatly satisfied with the services that we are providing for them and we continue to aim to input new creative ways to improve the weekly content presentations.

TIP OF THE MONTH

TIPS FOR YOUR LAPTOP COMPUTER

The following tips will help prolong the battery power of your laptop/notebook computer:

- When going idle, take a few seconds to put it on the hibernate mode, instead of just sleep.
- Decrease your LCD brightness.
- Set your regular virus scan to a time when you're plugged in.

Techville Computer Centers provides professional services for your technical needs. Our skilled technicians are here to help you so that you can have all the peace in mind when it comes to your important data.
